FLORENCE
SEWING MACHINE.

OVER THE POST OFFICE.

THERE is nothing so much sought for by the public as a practical Sewing Machine, one that is

Simple, Strong & Reliable.

One that will run for years without the annoyance of being out of repair; one that is noiseless and swift in motion; also that makes the stitch as you want it, alike on both sides of the fabric; such are the machines of the

FLORENCE SEWING MACHINE COMPANY.

Who take pleasure in placing their Machines before the public, and unhesitatingly say they are the best in the world, and openly and publicly challenge machines of any and all manufactures to do as large a range of work as can easily be done on one of these machines. They make

FOUR DIFFERENT STITCHES,

and have all the advantage of a reversible feed motion, which carries the work either way, which, together with making all the four stitches, can be done whilst the machine is in motion; the saving of time in stopping to change the length of stitch, is obviated by this machine.
Any correspondence regarding our Machines will be promptly answered. Enclose a Letter Stamp and we will send circular and sample of work by return mail

FLORENCE SEWING MACHINE.

OVER THE POST OFFICE.

THERE is nothing so much sought for by the public as a practical Sewing Machine, one that is

Simple, Strong & Reliable.

One that will run for years without the annoyance of being out of repair; one that is noiseless and swift in motion; also that makes the stitch as you want it, alike on both sides of the fabric; such are the machines of the

FLORENCE SEWING MACHINE COMPANY.

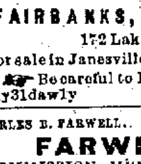

Who take pleasure in placing their Machines before the public, and unhesitatingly say they are the best in the world, and openly and publicly challenge machines of any and all manufactures to do as large a range of work as can easily be done on one of these machines. They make

FOUR DIFFERENT STITCHES,

and have all the advantage of a reversible feed motion, which carries the work either way, which, together with making all the four stitches, can be done whilst the machine is in motion; the saving of time in stopping to change the length of stitch, is obviated by this machine.

Any correspondence regarding our Machines will be promptly answered. Enclose a Letter Stamp and we will send circular and sample of work by return mail.

Peace Propositions.

We have had many rumors, of late, of peace propositions from the rebels, but we think the Chicago Times has finished them all by publishing a ridiculous statement of one Wesley Greene in its last issue. Greene is a journeyman japan and tin ware maker, of Pittsburg, Pa., and it is represented that the aristocratic Jeff. Davis sent for this northern "mud-sill" to come to Richmond, that he, Davis, might send propositions of peace to Mr. Lincoln, by Mr. Greene! While at Richmond, Greene had interviews with Davis, who, among other things, "rather casually remarked" that the emancipation proclamation would "play hell with us." That is the first grain of truth in the statement. We rather "casually" think it will do that very thing, although we don't believe Greene ever heard the remark, or saw Davis. In fact, we doubt the existence of Mr. Greene.

However, the Times' statement says, no doubt truthfully, that Davis seemed to be "desirous of *shrinking back* from the overwhelming thoughts of the tremendous responsibilities resting" on him. This is very natural, considering the crimes he has committed, and the unavoidable punishment that awaits him.

While the mythical, or rather the "invisible" Greene was in consultation with the arch-traitor, he came to the conclusion that Davis is really *loyal* to the Union (!) and is only playing a deep game with the south in order to bring back the ship of state into a harbor where hostilities must cease, and "unfurl the old flag"! Greene, also, as he says, "at the risk of being digressive," thinks "sincerely that Davis is a man who this day needs, and I may say deserves the sympathy of humanity in a pre-eminent degree;" and for this the tender-hearted Greene remarks that Davis "is bowed down under accumulating and almost overpowering sorrows." All this on account of his efforts to save the Union and to stop hostilities between the north and the south!

It is useless to follow Greene further with the narrative of his presentation of peace propositions to Mr. Lincoln; his meeting the secretary of war and the cabinet several times, and his fear that Mr. Lincoln would send him to Fort Lafayette, although he calls him a "despot" before he gets through; and finally, of his swearing to the statement he has made, before Philip A. Hoyne, notary public, of Chicago.

The whole story of this pretended Greene bears numerous marks of falsehood, and his statement was undoubtedly manufactured at Chicago. As an indication of what the peace propositions of the Chicago traitors are, and which they put into the mouth of their man of straw, Greene, we will give them in short: first, a general amnesty; second, the return of all the fugitive slaves who have runaway during the war; and, third, each party to pay its own debts.

Doubtless the whole thing is a hoax designed, however, to aid the rebels in promoting division at the north, to enable rebels in disguise to put forth their treasonable sentiments and to get Jeff Davis and his murderous crew out of difficulty as easily as possible.

No propositions of peace are needed, nor can they be entertained by a loyal President or cabinet. Let the rebels be whipped until they lay down their arms and submit to the laws. That's the whole programme.

Proceedings in Congress.

The Senate devoted the whole of Tuesday to the discussion of arbitrary arrests. The motion to lay Mr. Saulsbury's resolution, relative to the arbitrary arrest of citizens of Delaware, upon the table, was disagreed to by a vote of three ayes to forty nays. Mr. Sherman favored the passage of the resolutions, but justified arrests where there was a clear necessity for it; but there were some arrests which had injured the administration and made political martyrs of demagogues. If properly arrested they were not property discharged, as they were neither tried nor punished by the courts. Other republican senators took a similar view of the subject.

In the House the question of the admission of Western Virginia as a state was debated. Mr. Conway opposed it; Schuyler Colfax favored it.

Mr. Stevens, of Pennsylvania, said it was mockery to hold that the legislature of Virginia had ever assented to the new state. According to his principles he could vote for the bill on the ground that the revolutionary states, being belligerents, were not entitled to the privileges of the constitution. With his consent, the Union could never be restored as it was, under the constitution with slavery.

Without his concluding the House adjourned.

Cultivation of Sorghum.

A convention of the growers and manufacturers of sorghum was held at Rockford, Ill., on the 4th inst. We quote the following remarks in relation to the cultivation of of this important crop:

Mr. Pardee, of Winnebago, said deep tillage was very essential to a good crop of cane. His mode of preparing the ground in one instance had been to cover it with straw—say fifteen tons of straw to five acres of ground—and then burn it. In this way he had been enabled to raise a splendid crop of cane, and manufacture a fine quality of syrup. The burning not only improved the soil, but it destroyed all of the weeds, grass and other acid matters in the soil, and leaves it clean and sweet. The best soil is that which will raise from thirty to forty bushels of corn to the acre. He had planted cane where straw had been burned, and then some right beside it where the ground had not been burned over, and found that the burnt land produced double the unburned. From this fact I recommend burning. The burning should take place in the fall, and then be plowed in, and then harrow and pulverize it in the spring. This, as I think, destroys the weeds and grass. I think the burning of the straw did more good than the same amount of manure. He would plant small Imphee, three and a half feet apart one way, and fifteen or sixteen inches the other way. Would put plenty of seed in the hill, and should want from four to six seed to germinate. I am confident of the sorghum—that cane has done the best with me. Would use the small kind of Chinese for syrup, and the Imphee for sugar. With me the small cane yields about 150 gallons to the acre.

Daniel J. Teeter, of Carroll County, believed in planting thick. He would plow very deep in the fall, and give it a thorough harrowing in the spring. Would plant three and a half feet apart one way, and half that distance the other. Would ridge the ground and plant on the ridge. I learned from experience that this is the best. The high ridge is warmer—it gets more sun—than the low furrow. I do not trouble the cane after it gets two feet high. Ashes will answer the same purpose as burning straw. Leached ashes are just as good as any other. I am satisfied that the ashes alone do the whole work, and will greatly reduce the acid in the cane.

Mr. Fink, of Boone, ridged his ground and then planted by the marker on the natural level.

Mr. Beach, of Iowa, wanted rich ground, or well manured the year before. Plow it deep in the fall. In the spring, harrow it until it is thoroughly pulverized. Lay off, east and west, three and a half feet apart, then mark it with a light plow, north and south. Would plant on the upper edge of the furrow, and then turn the ground up to it when the cane was handsomely up. Plant on the north side of the furrow; this enables it to get more of the sun, and the ground, by turning it up, will always be warm and loose. Placing the seed on the top of the furrow keeps it dry.

Mr. Moss, of Iowa, would plow in the fall, where corn had been previously planted. Mark it east and west, and put at least half a dozen seeds in the hill. If you find suckers after the cane is up, hill the cane well, and the suckers will disappear. Don't pull off the suckers.

Mr. Beach, of Iowa, would rather have fifteen stalks in a hill than five. If you have plenty of stalks there will be no suckers, and you will have the small stalks, which I consider the best. A stalk three inches in circumference will contain no more saccharine matter than one an inch and a half in circumference. A small stock has the saccharine, and not the bitter and acids. Never lay my cane on the ground after it has been cut. I take it to the mill immediately. I think the juice improves if the cane lies in a dry place, or has dry weather.

Mr. Huntington, of Winnebago, said his experience coincided with the previous speaker. He put from fifteen to twenty five seeds in a hill. He thought growing it thin made better syrup. He had heretofore thought the offal from the cane as worthless, but he had lately discovered that horses, cattle and hogs loved it, and it had better fattening and feeding qualities than any other grain.

Mr. Meecham, of Will county, said his soil was full of grubs when he commenced planting, and they destroyed the cane. He then plowed deep in the fall, and that destroyed the grubs. Did not plow in the spring, but harrowed it thoroughly. The soil was cold and clammy, and did not produce well. His neighbors plowed in the spring, and their crops were two or three weeks ahead of mine. Spring plowing opens up and warms the soil. Clay soil is sure to be hard and cold if it is not plowed in the spring.

WHITE HOUSE RECEPTIONS.

The announcement recently made, that no receptions will be held during the winter at the White House, is an error, and arose from a statement that no receptions will be held by Mrs. Lincoln. The President's receptions will commence, as usual, after the holidays.

THE TREASURY DEPARTMENT.

The statistics of the treasury department show the increase in the exports from the loyal states for the current year to be $65,000,000 over those of 1861. The tables designed to accompany the Secretary's report will not be ready for publication under about two weeks.

HOSTILITY IN CANADA.

Recent information received here from high quarters in Canada represent the feeling of hostility against this government in that province as, if possible, more bitter even than in England.

RAILROAD BETWEEN WASHINGTON AND NEW YORK.

Senator Sumner to-day introduced the following important resolution:

Resolved, That the committee on post offices and post roads be directed to consider the expediency of providing for an air-line railroad between Washington and New York, which shall carry the mails of the United States with certainty and dispatch, and shall be free from all local impediments.

We know of a man who fell from a bridge across a certain river, and just as he found he must go, and no help for it, he bawled out at the top of his voice, "Lord, have mercy on me—and be quick, too."

MORNING DISPATCHES.

NEW YORK, Dec. 11.

Herald's specials from Nashville, the 9th, say a reconnoissance was made on the roads to Murfreesboro, Nolansville and Franklin to day. Wallace's brigade, of Sill's division, moved forward several miles but found no enemy. About noon Sheridan's division was attacked by a rebel force of cavalry and artillery, and his pickets driven in, but no one was killed. The enemy is thought to be moving forward in force. There is said to be 15,000 Tennesseans in the Union army. Over 20,000 bales of cotton, valued at $650,000, are here, waiting shipment. Gov. Johnson has issued a proclamation providing for an election of representatives in the 9th and 10th congressional districts of Tennessee.

NASHVILLE, Dec. 10.

Gov. Johnson is about to issue a proclamation assessing the wealthy rebels of Nashville to the amount of $60,000 for the support of the indigent during the winter. The list contains all prominent rebel sympathisers in the city. All is quiet in front to-day. Negley, at his own request, has been relieved from the command of the city. He takes the field. Gen. Mitchell succeeds him. Gen. Johnson, captured in August at Gallatin, having been exchanged, has been assigned to the command of the 2d division.

NASHVILLE, Dec. 10.

Col. Stanley Mathews, commanding a brigade in Vancouver's division, had a sharp fight yesterday, five miles north of Lavergne, while foraging. He commands the 51st Ohio, 32th Indiana, and 21st Kentucky infantry, with one gun of Swallow's 7th Indiana battery, escorting fifty forage wagons. Ten men and a sergeant of the 21st Kentucky were left for guard at Dobbin's ferry and wagons filled, when Wheeler's cavalry brigade, the 12th Tennessee infantry, and a full battery attacked them in the rear. The 51st Ohio and 35th Indiana were taken back by Mathews at double quick, and in thirty minutes the enemy were repulsed. The wagons were retired rapidly to camp, escorted by the 51st Ohio—the 8th Kentucky forming the rear guard. Half an hour later, the enemy attacked us again in our rear, and after sharp fighting were repulsed. The brigade returned to camp without losing a wagon. Lieut. Col. Ballee, of the 35th Indiana, had a bone of the left arm badly shattered. Adjt. Muller, of the same regiment, was killed. Lieut. McDaniel, 8th Kentucky, is supposed to have been killed, also two privates; besides, we had twenty-nine wounded and nine missing. Five wounded and one dead were left behind from inability to carry them off. They were conveyed to Dr. Charleston's residence near the field. Rebel loss not ascertained. Rosecrans and other generals assert that the affair reflected great credit on Mathews. The troops behaved splendidly. Mathews was thrown from his horse during action, and badly bruised. Forest is reported with 3,000 cavalry in the rear of Clarksville. Kirby Smith's corps is at Lebanon. The enemy is active in front. No disturbance to-day.

Special to a New York paper from Washington, 10th.—It is reported on very direct and trustworthy authority that President Lincoln has opened a correspondence on matters of national concern, with Governor Eliot, of N. C.

Late advices from Kansas give accounts of the arrest of Col. Adams and Lieut. Col. Hays, of the 12th Kansas volunteers, in Western Missouri, by General Vaughn, of the Missouri State Guards. Adams had made a successful expedition into Missouri against guerrillas, capturing about 100 wagons and 50 negroes, and on being ordered by Vaughn to surrender the negroes and property and leave the state, expressed his willingness to comply with all the demands, except surrender of negroes, which he refused. Vaughn having a force of a thousand men with artillery, and Adams only 250, the latter had no chance but compliance, and has been sent to St. Louis for trial on the 15th inst. Adams is a son-in law of Senator Lane of Kansas.

WASHINGTON, Dec. 10.

A special dispatch from the Times' correspondent with Hoooker, says that the rebels continue actively at work on their fortifications, though it is regarded as a ruse to conceal their movements towards Richmond.

AFTERNOON DISPATCHES.

NEW YORK, Dec. 11.

Stocks dull and unchanged. Gold 132¼. Flour very firm, at 6,20a6,30 for state. Wheat less active, and scarcely so firm, at 1,23a1,30 for Chicago spring; 1,28a1,35 for Milwaukee club; 1,42a1,45 for red winter. Corn scarcely so firm, and demand less active, at 76a77. Pork firmer.

The Philadelphia Press has the following:

NASHVILLE, Dec. 11—P. M.

The rebels, under Johnston, Bragg, Cheatham, Forest and Morgan, advanced and appeared on our front in great force this morning. A battle is momentarily expected, near Hartsville. Reinforcements are being hurried forward. Every point will be strengthened. The recent rebel victory at Hartsville has emboldened the rebels. Forest holds Clarksville with considerable force.

NEW YORK, Dec. 11.

A vessel has arrived here having the officers and crew of the ship Levi Starbuck, captured by the pirate Alabama and burned Nov. 2d, in lat. 35° 30′, long. 66°. The Alabama also captured and burned the ship T. B. Wallis, of Boston, Nov. 8th, in lat. 28° 30′, long. 58°. The Alabama went to Martinique, arriving the 17th of November. The San Jacinto arrived the same afternoon. Finding the Alabama there she went outside to wait for her. On the 18th, at night, the Alabama escaped, the San Jacinto is still off the harbor, Nov. 22d.

WASHINGTON, Dec. 11.

At six o'clock this morning 113 guns opened on Fredericksburg. Up to the latest the fire continued uninterrupted. Its destruction appears certain. The enemy opened fire at 7 o'clock. Thus far they have done no serious damage. Franklin's division is crossing three miles below the city upon constructed bridges, with slight opposition. The gunboats are shelling the enemy 15 miles down the river.

HOUSE.—A bill passed to adjust appropriations heretofore made for the civil service of the navy department, to correspond with the ecrent organization of the department.

CAIRO, Dec. 10.

Special to Philadelphia Press.—Reports from Grant's army indicate that they are brought to a stand-still, owing to muddy roads, ten miles beyond Grenada. The tenor of government dispatches show that Pemberton has gone to Alabama to form a junction with the rebel forces of Tennessee. Grant cannot follow at present. It is rumored that the Mississippi is so nearly clear of rebels that Vicksburg can be easily taken.

The New National Banking System.

The recommendation of Secretary Chase for the substitution of United States for bank notes; or in other words the inauguration of a modified system of national banking, does not meet with much favor among financial men here. The stock system of banking has been tried in the west, and it has proved a failure. Indiana and Illinois tested it fully, and the people will never forget the result.

The laws were finally amended so as to secure the public against loss, by confining the business to bona fide capitalists. The measure applied to remove the evils killed the system, and it is now dead. So long as capital is worth 10 per cent per annum in the west, the stock system of banking cannot be made profitable, except under a law, loose enough to permit dishonest speculators and adventurers to fleece the public. It is a remarkable fact that very nearly all the losses sustained by the people in the west, by bank failures, within the last twenty years, have been in consequence of the stock security system which Mr. Chase recommends as a protection from expansions and failures. The law in order to render banking safe for the public, must necessarily be so framed that legitimate capitalists would not organize under it, to any extent, for the purpose of issuing notes. This is the case in Ohio, Illinois and Indiana. We do not believe congress could improve the laws in existence in these states, which are the result of years of discussion, careful deliberation, and very expensive experience. There are other objections to the proposed system, but those we have mentioned will doubtless have a controlling influence upon the minds of western congressmen.—*Cincinnati Gazette.*

Colonel Utley.

Capt. Bentliff writes from the 22d regiment as follows:

We have the satisfaction of knowing that the course pursued by Col. Utley and his regiment in Kentucky has been fairly presented to the President; that he appreciates our position and fully endorses our action, and that in due time the remedy will be applied. We are assured that the interview of our friends at Washington with the President was of the most satisfactory character.

The colonel is constantly advised that efforts are being made to provide means for his arrest, and in view of the possibility that by some means or other he may be caught where his men could not rescue him, he says: that he would much prefer to fall into the hands of the rebels—the open and avowed enemies of the country—than to be arrested by the conditional Union men of Kentucky, its pretended friends. How rejoiced will every true friend of the government be when the touch-stone is applied, and the aristocracy of Kentucky forced to accept the consequences of an unconditional support of the government at Washington or of the one at Richmond. May the time speed on.

TO RETIRE TO PRIVATE LIFE.—The New York Tribune says that the following letter from Secretary Seward to Mr. Thomas T. Davis, is a definite answer to all the reports that have been in circulation for some time past as to Mr. Seward's return to the senate:

WASHINGTON, Nov. 20, 1862.

My Dear Sir: I thank you for your kind note. I could not well assume that the legislature of New York would entertain any pretensions on my part to a seat in the senate of the United States. It would nevertheless be very unpleasant for me to leave any doubt about my own determination in regard to public life. It is my fixed purpose, when relieved from my present post, to be, and remain, so long as I shall live, a private, but at the same time a loyal citizen. So settled is this purpose, that I should not relinquish it even though places were opened to me, not grudgingly or upon compromise, but voluntarily and by acclamation.

Faithfully your friend,
WILLIAM H. SEWARD.

To the Hon. Thomas T. Davis.

MR. CONWAY'S RESOLUTIONS.—The Chicago Tribune of Wednesday says:

A series of very radical resolutions will be introduced in the house to-morrow by Conway of Kansas, setting forth that the restoration of the Union as it was is a calamity to be most earnestly avoided; that the rebel states have so far effected a revolution as to have lost their character as states of the Union; that the war should be prosecuted to effect the subjugation of their territory, and that the territory should then be governed as the Northwestern Territory was under the ordinance of 1787; that there is great reason to doubt whether the rebellion can be suppressed until another president is elected, and that, therefore, unless a few months should bring complete triumph to our arms, hostilities ought to cease. The resolutions will have a few but earnest supporters, and will not fail to produce a sensation.

ORGANIZED INDIAN KILLERS.—An intelligent "trapper" from one of the western counties of Minnesota, states that a "secret society" has been organized, having its ramifications all through the western half of the state, whose avowed object is to hang or shoot every Indian suspected of having had any hand in the recent murders. If those Indians who have been convicted should be suffered to go unhung by the government, then this combination is to mete out punishment whenever it can be done.

HORSE CONTRACT.—The contract for furnishing the horses for Col. Capron's cavalry regiment has been awarded. The number of horses required was eight hundred. Between thirty and forty bids were made, from which number U. S. Quartermaster Potter accepted the following:

Contractors.	No. Horses.	Price.
H. P. Sisson, Galesburg	300	$88.50
H. H. Allen, Chicago	300	88.95
C. W. Waite, Chicago	200	89.90

THE DRAFTED MEN—THEIR DEPARTURE.—The drafted men from this county, to the number of 113, left Fort Howard in charge of Sheriff Whitney, on the cars, on Friday afternoon last. They all came into town voluntarily, and it is the testimony of the company who had charge of them, that they behaved with the utmost propriety—indeed it may not be amiss to state that as they were leaving we noticed evidences of warm personal friendship between some of their number and the soldiers. *Green Bay Adv.*

A Desperate Battle in Arkansas!

A SPLENDID FEDERAL VICTORY.

BATTLE FIELD, NEAR FAYETTEVILLE, Ark., Dec. 8.

Gen. Herron's forces, *en route* to reinforce Gen. Blunt's forces, met the enemy yesterday on Crawford Prairie, ten miles south of Fayetteville, Ark., and won a decisive victory over them. The enemy were 24,000 strong, divided into four divisions, under Generals Parsons, Marmaduke, Frost and Rains—all under Gen. Hindman. They embraced the flower of the trans-Mississippi army, well supported by 18 pieces of artillery.

The enemy flanked Blunt's position at Cane Hill, and made a sudden attack on Herron to prevent him from uniting with Blunt.

Herron's force consisted of the 94th and 37th Illinois, 19th and 20th Iowa, 26th Indiana, 20th Wisconsin, and a battalion or two of cavalry—in all from 6,500 to 7,000 men, and 24 pieces of artillery.

The battle raged from 10 o'clock in the forenoon till dark, and was desperately fought throughout. Our artillery drove the enemy from two strong positions, and kept their overwhelming numbers at bay. The 20th Wisconsin captured a rebel battery of four heavy guns, but were forced to abandon it under a murderous fire. The 19th Iowa also took the same battery, and fought most desperately, but were also obliged to yield it. Almost every regiment distinguished itself.

About 4 o'clock Gen. Blunt arrived from Cane Hill with 5,000 men and a strong force of artillery, and attacked the enemy in the rear. The rebels made desperate efforts to capture his batteries, but were repulsed with terrible slaughter.

We held the whole field at dark, and before 9 o'clock that night the entire rebel force were in full retreat over the Boston Mountains.

Our loss in killed and wounded was six hundred; that of the rebels fifteen hundred, by their own admission. Several of the enemy's field officers were killed—among them Col. Stein, commanding a brigade, formerly a brigadier of the Missouri state guard. Only a few prisoners were taken. We captured four caissons filled with ammunition.

Lieut. Col. McFarlan, of the 19th Iowa, was the only field officer killed on our side. Major Hubbard, 1st Missouri cavalry, was taken prisoner.

The Minnesota Captives Among the Indians.

EFFORTS MADE TO RANSOM THEM.

The following, from the Vermillion (D. T.) Republican, gives the sequel up to November 22d, the date of the paper, of the narrative furnished by Wm. G. Stewart, of Sioux city, in a letter to Gov. Ramsey, which we published a few days ago concerning the whereabouts of the Minnesota captives now in the hands of the Indians:

About the 1st inst., Mr. Galpen, belonging to the American Fur Company, with eleven others, on their way down from the mountains, in a Mackinaw boat, while some 150 miles above Fort Pierre, were fired into by 400 Santees, and were compelled to go ashore with their boat, where they were robbed of all their provisions, etc., and would have been murdered had it not been for Galpen's wife—a Yancton Sioux—who told the Indians that if they killed them (the whites), her relations would not stop until they had massacred the last one of their party in revenge. There were some twelve hundred lodges in the vicinity in addition to the party seen by Galpen.

Among the Indians was found a Miss Price, a young lady about eighteen years old, a daughter of James Price, of Illinois. We regret that we were unable to learn anything further concerning the residence of her friends. Mr. Galpen ascertained from her that another woman and five children, besides herself, were held as prisoners. These were all the captives that she knew of, although there might be others, and the fact unknown to her. The Indians said they would exchange the captives for ponies, but refused to sell them for anything else, and as Mr. Galpen's party had no ponies, they were compelled to leave them. The captives were very anxious to be released, and Miss Price prayed the men to get her away if possible.

Mr. Galpen arrived at Fort Randall on the 6th inst., and reported the above facts. Preparations were immediately commenced to effect the release of the unfortunate captives. On Saturday evening last, a detachment of thirty of the Sioux City cavalry, under Capt. Millard, arrived here on their way to Fort Randall; and on Thursday morning the detachment of the Dakotah cavalry, under Lieut. Bacon, which have for some time been at this place, left for the same destination, to join an expedition against the Indians.

Peace Propositions.

We have had many rumors, of late, of peace propositions from the rebels, but we think the Chicago Times has finished them all by publishing a ridiculous statement of one Wesley Greene in its last issue. Greene is a journeyman japan and tin ware maker, of Pittsburg, Pa., and it is represented that the aristocratic Jeff. Davis sent for this northern "mud-sill" to come to Richmond, that he, Davis, might send propositions of peace to Mr. Lincoln, by Mr. Greene! While at Richmond, Greene had interviews with Davis, who, among other things, "rather casually remarked" that the emancipation proclamation would "play hell with us." That is the first grain of truth in the statement. We rather "casually" think it will do that very thing, although we don't believe Greene ever heard the remark, or saw Davis. In fact, we doubt the existence of Mr. Greene.

However, the Times' statement says, no doubt truthfully, that Davis seemed to be "desirous of *shrinking back* from the overwhelming thoughts of the tremendous responsibilities resting" on him. This is very natural, considering the crimes he has committed, and the unavoidable punishment that awaits him.

While the mythical, or rather the "invisible" Greene was in consultation with the arch-traitor, he came to the conclusion that Davis is really *loyal* to the Union (!) and is only playing a deep game with the south in order to bring back the ship of state into a harbor where hostilities must cease, and "unfurl the old flag"! Greene, also, as he says, "at the risk of being digressive," thinks "sincerely that Davis is a man who this day needs, and I may say deserves the sympathy of humanity in a pre-eminent degree;" and for this the tender-hearted Greene remarks that Davis "is bowed down under accumulating and almost overpowering sorrows." All this on account of his efforts to save the Union and to stop hostilities between the north and the south!

It is useless to follow Greene farther with the narrative of his presentation of peace propositions to Mr. Lincoln; his meeting the secretary of war and the cabinet several times, and his fear that Mr. Lincoln would send him to Fort Lafayette, although he calls him a "despot" before he gets through; and finally, of his swearing to the statement he has made, before Philip A. Hoyne, notary public, of Chicago.

The whole story of this pretended Greene bears numerous marks of falsehood, and his statement was undoubtedly manufactured at Chicago. As an indication of what the peace propositions of the Chicago traitors are, and which they put into the mouth of their man of straw, Greene, we will give them in short: first, a general amnesty; second, the return of all the fugitive slaves who have runaway during the war; and, third, each party to pay its own debts.

Doubtless the whole thing is a hoax designed, however, to aid the rebels in promoting division at the north, to enable rebels in disguise to put forth their treasonable sentiments and to get Jeff Davis and his murderous crew out of difficulty as easily as possible.

No propositions of peace are needed, nor can they be entertained by a loyal President or cabinet. Let the rebels be whipped until they lay down their arms and submit to the laws. That's the whole programme.

Proceedings in Congress.

The Senate devoted the whole of Tuesday to the discussion of arbitrary arrests. The motion to lay Mr. Saulsbury's resolution, relative to the arbitrary arrest of citizens of Delaware, upon the table, was disagreed to by a vote of three ayes to forty nays. Mr. Sherman favored the passage of the resolutions, but justified arrests where there was a clear necessity for it; but there were some arrests which had injured the administration and made political martyrs of demagogues. If properly arrested they were not properly discharged, as they were neither tried nor punished by the courts. Other republican senators took a similar view of the subject.

In the House the question of the admission of Western Virginia as a state was debated. Mr. Conway opposed it; Schuyler Colfax favored it.

Mr. Stevens, of Pennsylvania, said it was mockery to hold that the legislature of Virginia had ever assented to the new state. According to his principles he could vote for the bill on the ground that the revolutionary states, being belligerents, were not entitled to the privileges of the constitution. With his consent, the Union could never be restored as it was, under the constitution with slavery.

Without his concluding the House adjourned.

Important News!

Gen. Burnside commenced an attack upon Fredericksburg this morning with 143 cannon.

A battle is probably in progress at Hartsville, Tennessee, twenty-five miles northeast from Nashville, in which the main forces of the two great armies are engaged.

Gen. Grant's army is stuck in the mud, ten miles from Grenada, while the rebel army is making its way to Alabama.

The pirate Alabama has been heard from and gets away from the San Jacinto.

Cultivation of Sorghum.

A convention of the growers and manufacturers of sorghum was held at Rockford, Ill., on the 4th inst. We quote the following remarks in relation to the cultivation of of this important crop:

Mr. Pardee, of Winnebago, said deep tillage was very essential to a good crop of cane. His mode of preparing the ground in one instance had been to cover it with straw—say fifteen tons of straw to five acres of ground—and then burn it. In this way he had been enabled to raise a splendid crop of cane, and manufacture a fine quality of syrup. The burning not only improved the soil, but it destroyed all of the weeds, grass and other acid matters in the soil, and leaves it clean and sweet. The best soil is that which will raise from thirty to forty bushels of corn to the acre. He had planted cane where straw had been burned, and then some right beside it where the ground had not been burned over, and found that the burnt land produced double the unburned. From this fact I recommend burning. The burning should take place in the fall, and then be plowed in, and then harrow and pulverize it in the spring. This, as I think, destroys the weeds and grass. I think the burning of the straw did more good than the same amount of manure. He would plant small Imphee, three and a half feet apart one way, and fifteen or sixteen inches the other way. Would put plenty of seed in the hill, and should want from four to six seed to germinate. I am confident of the sorghum—that cane has done the best with me. Would use the small kind of Chinese for syrup, and the Imphee for sugar. With me the small cane yields about 150 gallons to the acre.

Daniel J. Teeter, of Carroll County, believed in planting thick. He would plow very deep in the fall, and give it a thorough harrowing in the spring. Would plant three and a half feet apart one way, and half that distance the other. Would ridge the ground and plant on the ridge. I learned from experience that this is the best. The high ridge is warmer—it gets more sun—than the low furrow. I do not trouble the cane after it gets two feet high. Ashes will answer the same purpose as burning straw. Leached ashes are just as good as any other. I am satisfied that the ashes alone do the whole work, and will greatly reduce the acid in the cane.

Mr. Fink, of Boone, ridged his ground and then planted by the marker on the natural level.

Mr. Beach, of Iowa, wanted rich ground, or well manured the year before. Plow it deep in the fall. In the spring, harrow it until it is thoroughly pulverized. Lay off, east and west, three and a half feet apart, then mark it with a light plow, north and south. Would plant on the upper edge of the furrow, and then turn the ground up to it when the cane was handsomely up. Plant on the north side of the furrow; this enables it to get more of the sun, and the ground, by turning it up, will always be warm and loose. Placing the seed on the top of the furrow keeps it dry.

Mr. Moss, of Iowa, would plow in the fall, where corn had been previously planted. Mark it east and west, and put at least half a dozen seeds in the hill. If you find suckers after the cane is up, hill the cane well, and the suckers will disappear. Don't pull off the suckers.

Mr. Beach, of Iowa, would rather have fifteen stalks in a hill than five. If you have plenty of stalks there will be no suckers, and you will have the small stalks, which I consider the best. A stalk three inches in circumference will contain no more saccharine matter than one an inch and a half in circumference. A small stock has the saccharine, and not the bitter and acids. Never lay my cane on the ground after it has been cut. I take it to the mill immediately. I think the juice improves if the cane lies in a dry place, or has dry weather.

Mr. Huntington, of Winnebago, said his experience coincided with the previous speaker. He put from fifteen to twenty-five seeds in a hill. He thought growing it thin made better syrup. He had heretofore thought the offal from the cane as worthless, but he had lately discovered that horses, cattle and hogs loved it, and it had better fattening and feeding qualities than any other grain.

Mr. Meecham, of Will county, said his soil was full of grubs when he commenced planting, and they destroyed the cane. He then plowed deep in the fall, and that destroyed the grubs. Did not plow in the spring, but harrowed it thoroughly. The soil was cold and clammy, and did not produce well. His neighbors plowed in the spring, and their crops were two or three weeks ahead of mine. Spring plowing opens up and warms the soil. Clay soil is sure to be hard and cold if it is not plowed in the spring.

WHITE HOUSE RECEPTIONS.

The announcement recently made, that no receptions will be held during the winter at the White House, is an error, and arose from a statement that no receptions will be held by Mrs. Lincoln. The President's receptions will commence, as usual, after the holidays.

THE TREASURY DEPARTMENT.

The statistics of the treasury department show the increase in the exports from the loyal states for the current year to be $65,000,000 over those of 1861. The tables designed to accompany the Secretary's report will not be ready for publication under about two weeks.

RAILROAD BETWEEN WASHINGTON AND NEW YORK.

Senator Sumner to-day introduced the following important resolution:

Resolved, That the committee on post offices and post roads be directed to consider the expediency of providing for an airline railroad between Washington and New York, which shall carry the mails of the United States with certainty and dispatch, and shall be free from all local impediments.

We know of a man who fell from a bridge across a certain river, and just as he found he must go, and no help for it, he bawled out at the top of his voice, "Lord, have mercy on me—and be quick, too."

MORNING DISPATCHES.

NEW YORK, Dec. 11.

Herald's specials from Nashville, the 9th, say a reconnoissance was made on the roads to Murfreesboro, Nolansville and Franklin to day. Wallace's brigade, of Sill's division, moved forward several miles but found no enemy. About noon Sheridan's division was attacked by a rebel force of cavalry and artillery, and his pickets driven in, but no one was killed. The enemy is thought to be moving forward in force. There is said to be 15,000 Tennesseeans in the Union army. Over 20,000 bales of cotton, valued at $650,000, are here, waiting shipment. Gov. Johnson has issued a proclamation providing for an election of representatives in the 9th and 10th congressional districts of Tennessee.

NASHVILLE, Dec. 10.

Gov. Johnson is about to issue a proclamation assessing the wealthy rebels of Nashville to the amount of $60,000 for the support of the indigent during the winter. The list contains all prominent rebel sympathisers in the city. All is quiet in front to-day. Negley, at his own request, has been relieved from the command of the city. He takes the field. Gen. Mitchell succeeds him. Gen. Johnson, captured in August at Gallatin, having been exchanged, has been assigned to the command of the 2d division.

NASHVILLE, Dec. 10.

Col. Stanley Mathews, commanding a brigade in Vancouver's division, had a sharp fight yesterday, five miles north of Lavergne, while foraging. He commands the 51st Ohio, 32th Indiana, and 21st Kentucky infantry, with one gun of Swallow's 7th Indiana battery, escorting fifty forage wagons. Ten men and a sergeant of the 21st Kentucky were left for guard at Dobbin's ferry and wagons filled, when Wheeler's cavalry brigade, the 12th Tennessee infantry, and a full battery attacked them in the rear. The 51st Ohio and 35th Indiana were taken back by Mathews at double quick, and in thirty minutes the enemy were repulsed. The wagons were retired rapidly to camp, escorted by the 51st Ohio—the 8th Kentucky forming the rear guard. Half an hour later, the enemy attacked us again in our rear, and after sharp fighting were repulsed. The brigade returned to camp without losing a wagon. Lieut. Col. Balfee, of the 35th Indiana, had a bone of the left arm badly shattered. Adjt. Muller, of the same regiment, was killed. Lieut. McDaniel, 8th Kentucky, is supposed to have been killed, also two privates; besides, we had twenty-nine wounded and nine missing. Five wounded and one dead were left behind from inability to carry them off. They were conveyed to Dr. Charleston's residence near the field. Rebel loss not ascertained. Rosecrans and other generals assert that the affair reflected great credit on Mathews. The troops behaved splendidly. Mathews was thrown from his horse during action, and badly bruised. Forest is reported with 3,000 cavalry in the rear of Clarksville. Kirby Smith's corps is at Lebanon. The enemy is active in front. No disturbance to-day.

Special to a New York paper from Washington, 10th.—It is reported on very direct and trustworthy authority that President Lincoln has opened a correspondence on matters of national concern, with Governor Eliot, of N. C.

Late advices from Kansas give accounts of the arrest of Col. Adams and Lieut. Col. Hays, of the 12th Kansas volunteers, in Western Missouri, by General Vaughn, of the Missouri State Guards. Adams had made a successful expedition into Missouri against guerrillas, capturing about 100 wagons and 50 negroes, and on being ordered by Vaughn to surrender the negroes and property and leave the state, expressed his willingness to comply with all the demands, except surrender of negroes, which he refused. Vaughn having a force of a thousand men with artillery, and Adams only 250, the latter had no chance but compliance, and has been sent to St. Louis for trial on the 15th inst. Adams is a son-in law of Senator Lane of Kansas.

WASHINGTON, Dec. 10.

A special dispatch from the Times' correspondent with Hoocker, says that the rebels continue actively at work on their fortifications, though it is regarded as a ruse to conceal their movements towards Richmond.

AFTERNOON DISPATCHES.

NEW YORK, Dec. 11.

Stocks dull and unchanged. Gold 132½. Flour very firm, at 6,20a6,30 for state. Wheat less active, and scarcely so firm, at 1,23a1,30 for Chicago spring; 1,28a1,35 for Milwaukee club; 1,42a1,45 for red winter. Corn scarcely so firm, and demand less active, at 76a77. Pork firmer.

The Philadelphia Press has the following:

NASHVILLE, Dec. 11—P. M.

The rebels, under Johnston, Bragg, Cheatham, Forest and Morgan, advanced and appeared on our front in great force this morning. A battle is momentarily expected, near Hartsville. Reinforcements are being hurried forward. Every point will be strengthened. The recent rebel victory at Hartsville has emboldened the rebels. Forest holds Clarksville with considerable force.

NEW YORK, Dec. 11.

A vessel has arrived here having the officers and crew of the ship Levi Starbuck, captured by the pirate Alabama and burned Nov. 2d, in lat. 35° 30′, long. 66°. The Alabama also captured and burned the ship T. B. Wallis, of Boston, Nov. 8th, in lat. 28° 30′, long. 58°. The Alabama went to Martinique, arriving the 17th of November. The San Jacinto arrived the same afternoon. Finding the Alabama there she went outside to wait for her. On the 18th, at night, the Alabama escaped, the San Jacinto is still off the harbor, Nov. 22d.

WASHINGTON, Dec. 11.

At six o'clock this morning 143 guns opened on Fredericksburg. Up to the latest the fire continued uninterrupted. Its destruction appears certain. The enemy opened fire at 7 o'clock. Thus far they have done no serious damage. Franklin's division is crossing three miles below the city upon constructed bridges, with slight opposition. The gunboats are shelling the enemy 15 miles down the river.

HOUSE.—A bill passed to adjust appropriations heretofore made for the civil service of the navy department, to correspond with the ecrent organization of the department.

CAIRO, Dec. 10.

Special to Philadelphia Press.—Reports from Grant's army indicate that they are brought to a stand-still, owing to muddy roads, ten miles beyond Grenada. The tenor of government dispatches show that Pemberton has gone to Alabama to form a junction with the rebel forces of Tennessee. Grant cannot follow at present. It is rumored that the Mississippi is so nearly clear of rebels that Vicksburg can be easily taken.

The New National Banking System.

The recommendation of Secretary Chase for the substitution of United States for bank notes; or in other words the inauguration of a modified system of national banking, does not meet with much favor among financial men here. The stock system of banking has been tried in the west, and it has proved a failure. Indiana and Illinois tested it fully, and the people will never forget the result.

The laws were finally amended so as to secure the public against loss, by confining the business to bona fide capitalists. The measure applied to remove the evils killed the system, and it is now dead. So long as capital is worth 10 per cent per annum in the west, the stock system of banking cannot be made profitable, except under a law, loose enough to permit dishonest speculators and adventurers to fleece the public. It is a remarkable fact that very nearly all the losses sustained by the people in the west, by bank failures, within the last twenty years, have been in consequence of the stock security system which Mr. Chase recommends as a protection from expansions and failures. The law in order to render banking safe for the public, must necessarily be so framed that legitimate capitalists would not organize under it, to any extent, for the purpose of issuing notes. This is the case in Ohio, Illinois and Indiana. We do not believe congress could improve the laws in existence in these states, which are the result of years of discussion, careful deliberation, and very expensive experience. There are other objections to the proposed system, but those we have mentioned will doubtless have a controlling influence upon the minds of western congressmen.—*Cincinnati Gazette.*

Colonel Utley.

Capt. Bentliff writes from the 22d regiment as follows:

We have the satisfaction of knowing that the course pursued by Col. Utley and his regiment in Kentucky has been fairly presented to the President; that he appreciates our position and fully endorses our action, and that in due time the remedy will be applied. We are assured that the interview of our friends at Washington with the President was of the most satisfactory character.

The colonel is constantly advised that efforts are being made to provide means for his arrest, and in view of the possibility that by some means or other he may be caught where his men could not rescue him, he says: that he would much prefer to fall into the hands of the rebels—the open and avowed enemies of the country—than to be arrested by the conditional Union men of Kentucky, its pretended friends. How rejoiced will every true friend of the government be when the touch-stone is applied, and the aristocracy of Kentucky forced to accept the consequences of an unconditional support of the government at Washington or of the one at Richmond. May the time speed on.

TO RETIRE TO PRIVATE LIFE.—The New York Tribune says that the following letter from Secretary Seward to Mr. Thomas T. Davis, is a definite answer to all the reports that have been in circulation for some time past as to Mr. Seward's return to the senate:

WASHINGTON, Nov. 20, 1862.

My Dear Sir: I thank you for your kind note. I could not well assume that the legislature of New York would entertain any pretensions on my part to a seat in the senate of the United States. It would nevertheless be very unpleasant for me to leave any doubt about my own determination in regard to public life. It is my fixed purpose, when relieved from my present post, to be, and remain, so long as I shall live, a private, but at the same time a loyal citizen. So settled is this purpose, that I should not relinquish it even though places were opened to me, not grudgingly or upon compromise, but voluntarily and by acclamation.

Faithfully your friend,
WILLIAM H. SEWARD.

To the Hon. Thomas T. Davis.

MR. CONWAY'S RESOLUTIONS.—The Chicago Tribune of Wednesday says:

A series of very radical resolutions will be introduced in the house to-morrow by Conway of Kansas, setting forth that the restoration of the Union as it was is a calamity to be most earnestly avoided; that the rebel states have so far effected a revolution as to have lost their character as states of the Union; that the war should be prosecuted to effect the subjugation of their territory, and that the territory should then be governed as the Northwestern Territory was under the ordinance of 1787; that there is great reason to doubt whether the rebellion can be suppressed until another president is elected, and that, therefore, unless a few months should bring complete triumph to our arms, hostilities ought to cease. The resolutions will have a few but earnest supporters, and will not fail to produce a sensation.

ORGANIZED INDIAN KILLERS.—An intelligent "trapper" from one of the western counties of Minnesota, states that a "secret society" has been organized, having its ramifications all through the western half of the state, whose avowed object is to hang or shoot every Indian suspected of having had any hand in the recent murders. If those Indians who have been convicted should be suffered to go unhung by the government, then this combination is to mete out punishment whenever it can be done.

HORSE CONTRACT.—The contract for furnishing the horses for Col. Capron's cavalry regiment has been awarded. The number of horses required was eight hundred. Between thirty and forty bids were made, from which number U. S. Quartermaster Potter accepted the following:

Contractors.	No. Horses.	Price.
H. P. Sisson, Galesburg......	300	$88.50
H. H. Allen, Chicago.........	300	88.95
C. W. Waite, Chicago.........	200	89.90

THE DRAFTED MEN—THEIR DEPARTURE.—The drafted men from this county, to the number of 113, left Fort Howard in charge of Sheriff Whitney, on the cars, on Friday afternoon last. They all came into town voluntarily, and it is the testimony of the company who had charge of them, that they behaved with the utmost propriety—indeed it may not be amiss to state that as they were leaving we noticed evidences of warm personal friendship between some of their number and the soldiers. *Green Bay Adv.*

A Desperate Battle in Arkansas!

A SPLENDID FEDERAL VICTORY.

BATTLE FIELD, NEAR FAYETTEVILLE, Ark., Dec. 8.

Gen. Herron's forces, *en route* to reinforce Gen. Blunt's forces, met the enemy yesterday on Crawford Prairie, ten miles south of Fayetteville, Ark., and won a decisive victory over them. The enemy were 24,000 strong, divided into four divisions, under Generals Parsons, Marmaduke, Frost and Rains—all under Gen. Hindman. They embraced the flower of the trans-Mississippi army, well supported by 18 pieces of artillery.

The enemy flanked Blunt's position at Cane Hill, and made a sudden attack on Herron to prevent him from uniting with Blunt.

Herron's force consisted of the 94th and 37th Illinois, 19th and 20th Iowa, 26th Indiana, 20th Wisconsin, and a battalion or two of cavalry—in all from 6,500 to 7,000 men, and 24 pieces of artillery.

The battle raged from 10 o'clock in the forenoon till dark, and was desperately fought throughout. Our artillery drove the enemy from two strong positions, and kept their overwhelming numbers at bay. The 20th Wisconsin captured a rebel battery of four heavy guns, but were forced to abandon it under a murderous fire. The 19th Iowa also took the same battery, and fought most desperately, but were also obliged to yield it. Almost every regiment distinguished itself.

About 4 o'clock Gen. Blunt arrived from Cane Hill with 5,000 men and a strong force of artillery, and attacked the enemy in the rear. The rebels made desperate efforts to capture his batteries, but were repulsed with terrible slaughter.

We held the whole field at dark, and before 9 o'clock that night the entire rebel force were in full retreat over the Boston Mountains.

Our loss in killed and wounded was six hundred; that of the rebels fifteen hundred, by their own admission. Several of the enemy's field officers were killed—among them Col. Stein, commanding a brigade, formerly a brigadier of the Missouri state guard. Only a few prisoners were taken. We captured four caissons filled with ammunition.

Lieut. Col. McFarlan, of the 19th Iowa, was the only field officer killed on our side. Major Hubbard, 1st Missouri cavalry, was taken prisoner.

The Minnesota Captives Among the Indians.

EFFORTS MADE TO RANSOM THEM.

The following, from the Vermillion (D. T.) Republican, gives the sequel up to November 22d, the date of the paper, of the narrative furnished by Wm. G. Stewart, of Sioux city, in a letter to Gov. Ramsey, which we published a few days ago concerning the whereabouts of the Minnesota captives now in the hands of the Indians:

About the 1st inst., Mr. Galpen, belonging to the American Fur Company, with eleven others, on their way down from the mountains, in a Mackinaw boat, while some 150 miles above Fort Pierre, were fired into by 400 Santees, and were compelled to go ashore with their boat, where they were robbed of all their provisions, etc., and would have been murdered had it not been for Galpen's wife—a Yancton Sioux—who told the Indians that if they killed them (the whites), her relations would not stop until they had massacred the last one of their party in revenge. There were some twelve hundred lodges in the vicinity in addition to the party seen by Galpen.

Among the Indians was found a Miss Price, a young lady about eighteen years old, a daughter of James Price, of Illinois. We regret that we were unable to learn anything further concerning the residence of her friends. Mr. Galpen ascertained from her that another woman and five children, besides herself, were held as prisoners. These were all the captives that she knew of, although there might be others, and the fact unknown to her. The Indians said they would exchange the captives for ponies, but refused to sell them for anything else, and as Mr. Galpen's party had no ponies, they were compelled to leave them. The captives were very anxious to be released, and Miss Price prayed the men to get her away if possible.

Mr. Galpen arrived at Fort Randall on the 6th inst., and reported the above facts. Preparations were immediately commenced to effect the release of the unfortunate captives. On Saturday evening last, a detachment of thirty of the Sioux City cavalry, under Capt. Millard, arrived here on their way to Fort Randall; and on Thursday morning the detachment of the Dakotah cavalry, under Lieut. Bacon, which have for some time been at this place, left for the same destination, to join an expedition against the Indians.

SPECIAL ELECTION FOR MEMBER OF CONGRESS.

NOTICE is hereby given that a special election will be held in the several towns and wards in the county of Rock on Tuesday, the 30th day of December, A D 1862, for the election of a Representative in Congress for the Old Second Congressional District, in the place of Luther Hanchett, deceased, whose term of office will expire on the fourth day of March, A. S. J. M. PUTNAM,

PROCLAMATION.

SPECIAL ELECTION FOR MEMBER OF CONGRESS.

D. 1863, will be held in the several counties composing the district from which the said Luther Hanchett was elected, ON TUESDAY, DECEMBER 30TH, 1862.

The counties in which the said election will be held are as follows, to-wit:

Said election will be conducted, and the result canvassed, and certified in like manner as at general elections.

In testimony whereof, I have hereunto subscribed my name and caused the Great Seal of the State of Wisconsin to be affixed, at Madison, this 5th day of December, 1862.

ESTABLISHED MARCH 16TH, 1848.

IT is not dead, nor has it ever transferred its name to the 2½x4 news institution on the corner. But is now re-established in the 2d store west of the corner, (Jackman & Smith's Block,) at the sign of the LARGE (not small) BOOK, where a larger pile of

Books, Stationery & Paper-Hangings

Can be had for the same money than of any 2½x4 establishment in the city. If we cannot boast of "my two stores!" we can boast that we do not find it necessary to have so much room to hold a lot of

DEPRECIATED STOCK,

which was exchanged at much less than New York cost for depreciated Real Estate, some three years ago, and which has greatly depreciated since that time.

Talk about the present New York cost prices. Why at the regular

GRAMMAR SCHOOL EXHIBITION.—There will be an exhibition of the grammar schools of this city on Thursday evening, of this week, at Lappin's Hall, under the supervision of Miss A. Byrne and Miss E. E. Wheeler, principals, to consist of a variety of pleasing exercises, including music by the scholars, led by Mr. Wilson. This is the first time these schools have been before the public, and it is hoped and expected that parents and others having the interest of these schools at heart will be present on this occasion. Doors open at 6 o'clock; exercises to commence at 7.—Tickets of admission, 10 cents, for sale at the bookstores and at the door.

H. N. COMSTOCK,
dtd Clerk of Board of Education.

☞ A special dispatch to the Chicago Times states that John H. Harmon, formerly of St. Paul, was arrested at Grand Rapids, Michigan, on Monday last, and committed to Fort Lafayette. His alleged offence is not stated.

SALES OF CITY BONDS.—Comptroller Hayes sold $75,000 of Chicago city seven per cent bonds at nine per cent premium and interest, to pay city indebtedness maturing the first of January next. This is the highest price ever obtained by the city for her securities.

NON-EXPLOSIVE SHELLS.—It appears by a report in the New York Evening Post that Gen. Burnside has discovered that of the 10,000 shells sent to him by Gen. Meg's department, not one in ten would explode. This discovery is reported to have been the cause of his visit to Washington, and that he insists that somebody shall be punished for this treasonable performance.

HIGH SCHOOL EXHIBITION.—There will be an exhibition of the Janesville High School at Lappin's Hall on Friday evening, Dec. 12th, to consist of a pleasing variety of declamations, recitations, essays, dialogues, tableax, &c. The best of music will be furnished for the occasion by a quartetto club, under the supervision of Mr. Wilson. Admission, 20 cents. The proceeds are to be used in purchasing apparatus and pictures for the school. Tickets may be obtained at the bookstores and at the door. Doors open at 6 o'clock; exercises to commence at 7.

H. N. COMSTOCK,
dtd Clerk of Board of Education.

NINE MONITORS FINISHED.—Three of our iron-clad men-of-war were launched on Saturday—one at Boston, the Nantucket, and the Catskill and Kookuk at New York. The Lehigh, one of the small Ericsson batteries, is also reported ready to launch at Chester, Pa. This will complete Mr. Ericsson's contract with the government for nine vessels like the Monitor. There are now in the neighborhood of New York five impregnable ships afloat, all preparing rapidly for sea, and some twelve or fifteen are on the stocks.

A MILITARY SLAVE HUNTER COMES TO GRIEF.—The following is an extract from a general order, just published by the war department:

Col. John McHenry, Jr., 17th Kentucky volunteers, having issued an order, dated Oct. 27th, 1862, to his regiment, which order is in violation of the article of war approved March 13, 1862, is by direction of the President hereby discharged the service of the United States.

Col. McHenry's offending order is understood to have been one requiring his soldiers to return fugitive slaves. Why should not Gilmore and Boyle, of Kentucky, share the same fate? They have been attempting to compel Wisconsin officers and soldiers to do the same thing for which Col. McHenry was dismissed. We are glad the department is disposed to insist upon the enforcement of the article of war on this subject.

GENERAL GRANT'S MOVEMENTS.—With reference to movements in Mississippi, the St. Louis Democrat has the following remarks:

"An intelligent gentleman direct from the front of Gen. Grant's army, gives us information to the effect that the expedition against the rebels in the direction of Grenada is likely to prove barren of results. Gen. Grant hoped that Pemberton would give him battle; and Gen. Hovey's flank movement upon Grenada was designed to cut off the retreat of the rebels, and compel them to fight. It seems, however, that upon Gen. Hovey's arrival at Grenada 'the bird had flown.' Pemberton and his whole army have retreated eastward across the country to the Mobile and Ohio railroad, and are probably attempting to form a junction with Gen. Bragg. Gen. Grant, for lack of transportation, cannot follow, and is brought to a comparative stand still. The work of reducing Vicksburg having been consigned to other hands, he has, it seems, been left the alternative of setting down in his present position or of seeking Pemberton by the roundabout railroad route of Grand Junction and Corinth. A few days will determine the future course of action. Gen. Grant is no idler, and the war department will not let him decay for want of a job."

What five names in the Bible represent a child going to get a whipping? Adam, Seth, Eve, Cain, Abel.

DOMESTIC GOODS,

and believing in the old proverb that "Delays are Dangerous," we took "Time" by the forelock and brought our immense

CASH RESOURCES

to bear on a depreciated market, and as we had lived and prospered amongst the people of Wisconsin, we resolved that they should have the benefit of our long experience and large Cash Capital. We therefore purchased in May and June last over

$100,000 Worth of Domestic Goods,

consisting of 300 bales and cases of Fine Medium and Heavy Bleached and Unbleached Sheetings and Shirting, in all the popular widths and makes.

100 cases Merrimac, Cocheco, American, Sprague and other celebrated brands of Fast Color Calicoes, printed in advance for this fall's trade.

50 cases Cotton Flannel, bleached and unbleached, long thick nap, and made on the heaviest drilling.

30 cases and bales of Denims, in the well known Amoskeag, Hay Maker, Mount Vernon and other superior makes.

20 cases Gingham, in Beverly Lancaster and other heavy and fast color makes.

300 bales of Batting, low, medium and Fine.

We have a Monster stock of Flannels of every make, color, quality and width. All our White Flannels are of the highly prized make of Samuel Gilbert, Andover, Mass. They are warranted pure wool and sulphur, stove dried which imparts to them their well known *medicinal* qualities, and makes them sought after by every New England housewife.

Also, at Retail, at from Fifteen to Twenty per cent Less than the present price of the Manufacturers.

The Fall and Winter Campaign

is now

Fully Opened.

THE NEW YORK CASH STORE

has got

The Lead

and is

BOUND TO KEEP IT.

There is no Stock of Goods in Janesville that can Stop It.

WE have now in our Three Stores the largest stock of all kinds of Merchandise to be found in the Interior of Wisconsin, particularly of

STAPLE GOODS.

Our entire stock of Staple Goods were bought in July and August, for cash, before the great rise in all kinds of Cotton Goods, and we are selling them from

Fifteen to Twenty per cent Less

than the manufacturers are by the 50 cases. We are in receipt every week of the manufacturers' prices of all the cotton goods made in the United States, which is open to the public for examination at our stores at all times, so that our customers can see for themselves whether what we say is so or not.

We shall for the next thirty day sell our entire stock of

Domestic Goods,

consisting of Prints, Brown and Bleached Sheetings, Denims, Stripes, Ticks, Checks, Brown and Bleached Cotton Flannels, Rags, Batting and our entire Domestic stock at least twenty per cent less than the present prices of the manufacturers.

Our stock of Foreign

FANCY & STAPLE GOODS

is twice as large as it ever was before, and much the largest stock in the city. All bought before the great rise in foreign exchange, consequently will be sold at less prices than we could by the same goods for at the present time in New York.

LADIES' CLOAKS.

The largest stock of these goods to be found in the state just received, and selling full as cheap as last year.—Also a very large assortment of

SHAWLS

of all kinds, from the lowest price wool shawl, to the best Brochia made.

LADIES' FURS!

Three thousand dollars worth of these goods just received. In these goods we know no competition—having bought our entire stock direct from the importers and manufacturers, saving two or three jobbers' profits. We are selling Ladies' Furs less than merchants pay for them who buy in a small way. We have much the largest stock in Janesville, and will sell them from 25 to 50 per cent less than any house in this city. We mean exactly what we say.

Ladies' Hoods, Nubias, Skating Caps,

&c. These goods we are selling cheaper than we did last year, or any other year, so that our customers cannot say but that there is one thing they can buy as cheap this year as they ever did. We are just in receipt of

TWO HUNDRED DOZEN

of the above goods, direct from a New England manufacturer, to whom we gave our orders some two months since, and were made at least thirty per cent less than we could buy the goods for now. We are selling the same quality of Hoods for one dollar, that we sold last year at twelve shillings. We have also a few beautiful

SILK PLUSH HOODS,

trimmed with fur, to be found in no other place in Janesville.

Merchant Tailoring Department.

Our Cloth Room now contains much the largest stock of good

This branch of our business having increased to a very large trade, we are running a store separate from our main store, which is three doors below, on Main street, where we have the largest stock of

READY-MADE CLOTHING

and

GENTS' FURNISHING GOODS

to be found in any establishment in this city.

Particular attention is called to our immense stock of

Mens' & Boys' Hats & Caps

of all qualities and prices. In these goods we shall not attempt to enumerate our stock, as that would be an impossibility. We buy all our Hats and Caps by the case from the manufacturers, and we will guarantee to sell these particular goods

Twenty-Five per cent Cheaper

than they can be bought at any other house in this city. Persons living within one hundred miles of Janesville, will make money by coming here to buy their goods; and when you get here, be sure and come to the

GRAMMAR SCHOOL EXHIBITION.—There will be an exhibition of the grammar schools of this city on Thursday evening, of this week, at Lappin's Hall, under the supervision of Miss A. Byrne and Miss E. E. Wheeler, principals, to consist of a variety of pleasing exercises, including music by the scholars, led by Mr. Wilson. This is the first time these schools have been before the public, and it is hoped and expected that parents and others having the interest of these schools at heart will be present on this occasion. Doors open at 6 o'clock; exercises to commence at 7.—Tickets of admission, 10 cents, for sale at the bookstores and at the door.

H. N. COMSTOCK,
dtd Clerk of Board of Education.

☞ A special dispatch to the Chicago Times states that John H. Harmon, formerly of St. Paul, was arrested at Grand Rapids, Michigan, on Monday last, and committed to Fort Lafayette. His alleged offence is not stated.

SALES OF CITY BONDS.—Comptroller Hayes sold $75,000 of Chicago city seven per cent bonds at nine per cent premium and interest, to pay city indebtedness maturing the first of January next. This is the highest price ever obtained by the city for her securities.

NON-EXPLOSIVE SHELLS.—It appears by a report in the New York Evening Post that Gen. Burnside has discovered that of the 10,000 shells sent to him by Gen. Meg's department, not one in ten would explode. This discovery is reported to have been the cause of his visit to Washington, and that he insists that somebody shall be punished for this treasonable performance.

Silver Goblets, Cups, Card Cases, Thimbles, Fruit Knives, Napkin Rings, Porte Monnaies, Match Safes, &c., at WEBB'S JEWELRY STORE, Lappin's Corner.

☞ We learn that there are a number of Capt. Miles' company sick in hospital, and that dried fruits, butter, etc., are needed. Those who put up articles for the box which is being packed at Burdick & Newell's for this company, should not forget this.

HIGH SCHOOL EXHIBITION.—There will be an exhibition of the Janesville High School at Lappin's Hall on Friday evening, Dec. 12th, to consist of a pleasing variety of declamations, recitations, essays, dialogues, tableax, &c. The best of music will be furnished for the occasion by a quartette club, under the supervision of Mr. Wilson. Admission, 20 cents. The proceeds are to be used in purchasing apparatus and pictures for the school. Tickets may be obtained at the bookstores and at the door. Doors open at 6 o'clock; exercises to commence at 7.

H. N. COMSTOCK,
dtd Clerk of Board of Education.

NINE MONITORS FINISHED.—Three of our iron-clad men-of-war were launched on Saturday—one at Boston, the Nantucket, and the Catskill and Keokuk at New York. The Lehigh, one of the small Ericsson batteries, is also reported ready to launch at Chester, Pa. This will complete Mr. Ericsson's contract with the government for nine vessels like the Monitor. There are now in the neighborhood of New York five impregnable ships afloat, all preparing rapidly for sea, and some twelve or fifteen are on the stocks.

A MILITARY SLAVE HUNTER COMES TO GRIEF.—The following is an extract from a general order, just published by the war department:

Col. John McHenry, Jr., 17th Kentucky volunteers, having issued an order, dated Oct. 27th, 1862, to his regiment, which order is in violation of the article of war approved March 13, 1862, is by direction of the President hereby discharged the service of the United States.

Col. McHenry's offending order is understood to have been one requiring his soldiers to return fugitive slaves. Why should not Gilmore and Boyle, of Kentucky, share the same fate? They have been attempting to compel Wisconsin officers and soldiers to do the same thing for which Col. McHenry was dismissed. We are glad the department is disposed to insist upon the enforcement of the article of war on this subject.

GENERAL GRANT'S MOVEMENTS.—With reference to movements in Mississippi, the St. Louis Democrat has the following remarks:

"An intelligent gentleman direct from the front of Gen. Grant's army, gives us information to the effect that the expeditiou against the rebels in the direction of Grenada is likely to prove barren of results. Gen. Grant hoped that Pemberton would give him battle; and Gen. Hovey's flank movement upon Grenada was designed to cut off the retreat of the rebels, and compel them to fight. It seems, however, that upon Gen. Hovey's arrival at Grenada 'the bird had flown.' Pemberton and his whole army have retreated eastward across the country to the Mobile and Ohio railroad, and are probably attempting to form a junction with Gen. Bragg. Gen. Grant, for lack of transportation, cannot follow, and is brought to a comparative stand still. The work of reducing Vicksburg having been consigned to other hands, he has, it seems, been left the alternative of setting down in his present position or of seeking Pemberton by the roundabout railroad route of Grand Junction and Corinth. A few days will determine the future course of action. Gen. Grant is no idler, and the war department will not let him decay for want of a job."

THE GREAT SALE!

OF

McKey & Bro's MAMMOTH STOCK HAS COMMENCED.

THE Largest Stock ever offered in Wisconsin can now be inspected at their store.

A GREAT TRIUMPH

has recently been achieved by

THE UNION ARMY,

the importance of which to the whole country is admitted by every loyal man. A great Triumph has also been achieved by

McKEY & BRO.

the results of which are not without their importance to the whole people of Wisconsin, as they must admit upon inspecting our enormous stock, and learning the prices. Five months ago, foreseeing the tremendous advance which has since taken place in the price of

DOMESTIC GOODS,

and believing in the old proverb that "Delays are Dangerous," we took "Time" by the forelock and brought our immense

CASH RESOURCES

to bear on a depreciated market, and as we had lived and prospered amongst the people of Wisconsin, we resolved that they should have the benefit of our long experience and large Cash Capital. We therefore purchased in May and June last over

$100,000 Worth of Domestic Goods,

consisting of 300 bales and cases of Fine Medium and Heavy Bleached and Unbleached Sheetings and Shirting, in all the popular widths and makes.

100 cases Merrimac, Cocheco, American, Spraguean and other celebrated brands of Fast Color Calicoes, printed in advance for this fall's trade.

50 cases Cotton Flannel, bleached and unbleached, long thick nap, and made on the heaviest drilling.

30 cases and bales of Denims, in the well known Amoskeag, Hay Maker, Mount Vernon and other superior makes.

25 cases and bales of Shirting Stripes, the heaviest and most durable, such as Amoskeag, York, Westbrook, &c.

20 cases Gingham, in Beverly Lancaster and other heavy and fast color makes.

300 bales of Batting, low, medium and Fine.

We have a Monster stock of Flannels of every make, color, quality and width. All our White Flannels are of the highly prized make of Samuel Gilbert, Andover, Mass. They are warranted pure wool and sulphur, stove dried which imparts to them their well known *medicinal* qualities, and makes them sought after by every New England housewife.

Bargains for Cash.

We shall sell a good Madder Print for 10c. A full Madder Print for one shilling, and all our best and choicest styles for 15c.

We shall sell a good unbleached Factory for one shilling, and a good bleached Factory for the same price.

Choice printed and plain DeLaines, worth 20c, at one shilling. If asked how we can afford to do so, we answer "cash" does it.

So much for our Domestic Goods, which have been laid in at a cost of fifty cents on the dollar of what other merchants have since been obliged to pay for them.

We have just received 20 cases of *new and choice styles* of Hamilton, Manchester and Pacific DeLaines, which we shall sell at Cost.

Also 25 pieces of Middlesex, all wool, pressed Flannels, in choice shades, and which we offer at the old price

Our Stock of Black Silks

is full and complete, and was bought when prices were at the bottom—before the tremendous advance in exchange took place.

We have now on hand a magnificent stock of

DRESS GOODS,

consisting of Double Twilled all wool Merinos, printed and plain; English Merinos, printed and plain; French and English Repps and Velours, printed and plain; Tasmania Cloths, Ottomanes, Polostrine, Garibaldis, &c. Also 200 pieces all wool and Union Plaid Merinos.

SHAWLS AND CLOAKS.

We have over 3,000 superior all wool heavy Blanket Shawls—bought cheap, and which we shall sell cheap.

Our Cloak stock is replete with all the *New and Desirable styles.*

MILLINERY GOODS.

We are now opening our usual fall and winter stock of French Millinery Goods, which will be found to contain all the new and fashionable styles.

In Boots, Shoes and Rubbers

we are largely and well assorted.

Our Clothing Store

will be found to contain every thing that is new, elegant and economical, consisting of

Coats, Vests and Pants,

got up under the supervision of our own experienced cutter, together with a fine assortment of

HATS, CAPS, CLOTHS, CASSIMERES, VESTINGS, &c., &c.

In conclusion we would advise the public not to be attracted by those who show false colors or get up "cheap trap" advertisements, but to come at once and inspect our stock, which is larger than all other stocks in Janesville put together, and which will be sold at less than present New York nett cash prices at the store of McKEY & BRO.

The Fall and Winter Campaign

is now

Fully Opened.

THE NEW YORK CASH STORE

has got

The Lead

and is

BOUND TO KEEP IT.

There is no Stock of Goods in Janesville that can Stop It.

WE have now in our Three Stores the largest stock of all kinds of Merchandise to be found in the Interior of Wisconsin, particularly of

STAPLE GOODS.

Our entire stock of Staple Goods were bought in July and August, for cash, before the great rise in all kinds of Cotton Goods, and we are selling them from

Fifteen to Twenty per cent Less

than the manufacturers are by the 50 cases. We are in receipt every week of the manufacturers' prices of all the cotton goods made in the United States, which is open to the public for examination at our store at all times, so that our customers can see for themselves whether what we say is so or not.

We shall for the next thirty day sell our entire stock of

Domestic Goods,

consisting of Prints, Brown and Bleached Sheetings, Denims, Stripes, Ticks, Checks, Brown and Bleached Cotton Flannels, Rags, Batting and our entire Domestic stock at least twenty per cent less than the present prices of the manufacturers.

Our stock of Foreign

FANCY & STAPLE GOODS

is twice as large as it ever was before, and much the largest stock in the city. All bought before the great rise in foreign exchange, consequently will be sold at less prices than we could by the same goods for at the present time in New York.

LADIES' CLOAKS.

The largest stock of these goods to be found in the state just received, and selling full as cheap as last year.—Also a very large assortment of

SHAWLS

of all kinds, from the lowest price wool shawl, to the best Brocha made,

LADIES' FURS!

Three thousand dollars worth of these goods just received. In these goods we know no competition—having bought our entire stock direct from the importers and manufacturers, saving two or three jobbers' profits. We are selling Ladies' Furs less than merchants pay for them who buy in a small way. We have much the largest stock in Janesville, and will sell them from 25 to 50 per cent less than any house in this city. We mean exactly what we say.

Ladies' Hoods, Nubias, Skating Caps,

&c. These goods we are selling cheaper than we did last year, or any other year, so that our customers cannot say but there is one thing they can buy as cheap this year as they ever did. We are just in receipt of

TWO HUNDRED DOZEN

of the above goods, direct from a New England manufacturer, to whom we gave our orders some two months since, and were made at least thirty per cent less than we could buy the goods for now. We are selling the same quality of Hoods for one dollar, that we sold last year at twelve shillings. We have also a few beautiful

trimmed with fur, to be found in no other place in Janesville.

to be found in any establishment in this city.

Particular attention is called to our immense stock of

Mens' & Boys' Hats & Caps

of all qualities and prices. In these goods we shall not attempt to enumerate our stock, as that would be an impossibility. We buy all our Hats and Caps by the cash from the manufacturers, and we will guarantee to sell these particular goods

Twenty-Five per cent Cheaper

than they can be bought at any other house in this city. Persons living within one hundred miles of Janesville, will make money by coming here to buy their goods; and when you get here, be sure and come to the
